## 1. Homepage Header GOAL: <https://www.buildingthefuture.pt/>

### Homepage Concept

**Homepage Header Goal:** <https://www.buildingthefuture.pt/>

**Exactly layout header full width, with:**

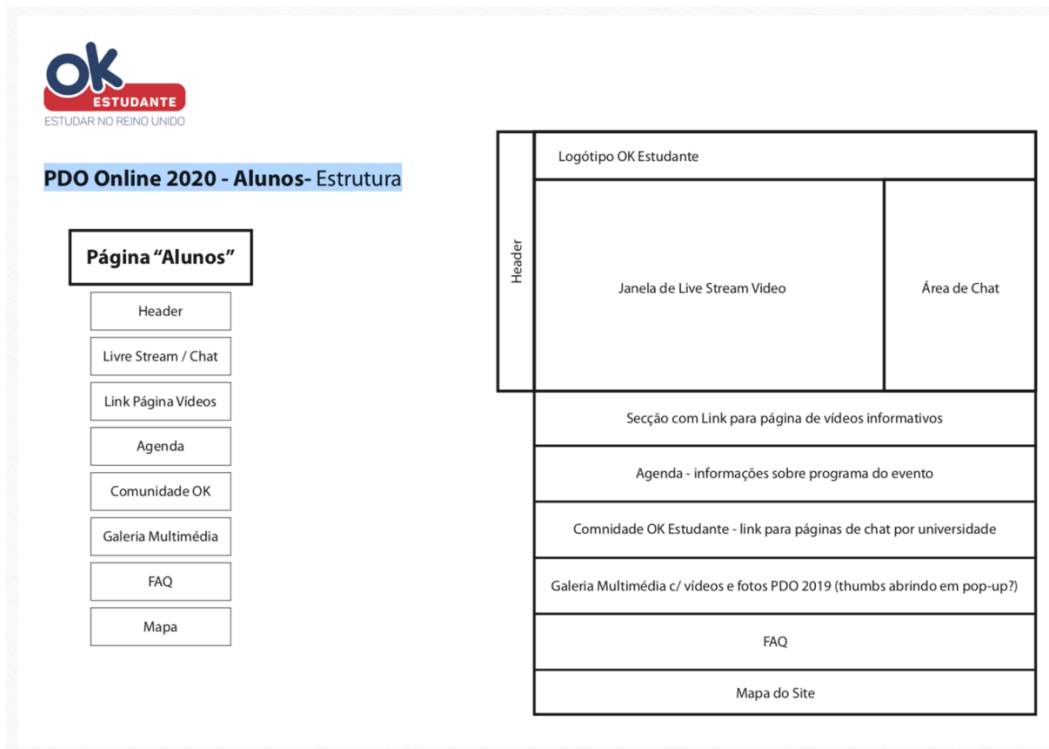

- left logo
- same buttons and layout (Play Video must open a popup with player for a local video / Change text TICKETS to LOGIN (must open a popup with a login form - account session links must be hiding from frontend theme)
- background video
- right side menu (must have 5 url sections (and symbolic text: section1/section2/section3/section4/section5 – layout equal to <https://www.buildingthefuture.pt/> )
- same countdown layout to **25/07 10h**
- same text boxes and texts

## Pages:

2. **1 page for STUDENTS** – Structure (must be private – accessible only for students profile - and hidden from public.)
  - Header with Left Logo
  - Section above to add a video stream player (8 columns) and Left Chat (4 columns)

- 6 sections available
- Right side menu with URL for each section

**3. 1 Page for PARENTS (clone students structure) (must be private – accessible only for parents profile - and hidden from public.) List of users will be added after by SQL update**

- Header with Left Logo
- Section above to add a video stream player (8 columns) and Left Chat (4 columns)
- 6 sections available
- Right side menu with URL for each section
